Year 2	95%
Year 3	95%
Year 4	94%
Year 5	98%
Year 6	97%

Children In Need

On Friday 17th November we will be supporting Children in Need. There will be three events during the day to raise money for the Children in Need charities.

Firstly we will be having a non-uniform day. The children should wear 'something spotty' to support the 'spotacular' theme of this year's event. We hope all the children will join in with this event and we are suggesting a £1 donation which we will send to the charity.

Secondly we will be holding a cake sale for the parents and children starting at 2.45pm on the 17th November. Please come along and support this great charity by buying a cake or two or even more.

Finally the school council have arranged a drawing competition - Picture Perfect with Pudsey. The entry needs to be drawn and coloured on the official entry forms available for 20p on Monday 13th November. All drawings need to be bought back into school by Thursday 16th November. There will be a prize for each year group.

Let's make a difference to the lives of children in the UK.

HOME SCHOOL LINK MEETING

READING

FOR PARENTS OF CHILDREN IN:
YEARS 3, 4, 5 AND 6
TUESDAY 14TH NOV 9.00AM

"The world belongs to those who read."

—Rick Holland

Practical tips on how to help your child with reading.

How to make reading enjoyable and encourage your child to read.

How to listen to your child read effectively. Tips for parents who are not confident readers themselves.

Funny Bones

In Reception, RBS have been reading the story called Funny Bones. They enjoyed learning about skeletons and did lots of activities around it.

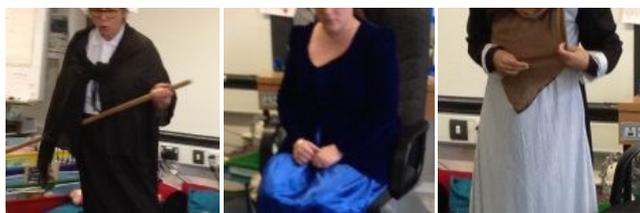

Diwali Designs

This week the children in Nursery have been learning all about Diwali – the Hindu festival of lights. We talked about how Hindus celebrate their special time of year, about the food they eat and the lamps they make. We then used paint and glitter to make some sparkly Diwali cards!

A Victorian start to the term

Children in Year 1 have been visited by three Victorian Ladies to start this term's topic of Victorians. Children were very interested in what the ladies had to say and were very keen to ask them lots of questions.

A Very Strict
Teacher

A Very Rich Lady

A Poor Maid

Mathematics Expectations

We have produced a series of booklets on the end of year maths expectations for children in our school. These expectations are the minimum requirements your child needs to meet if they want to be secure in their learning and make continued progress the following year.

Please have a look at this page on our website to download the booklet specific to your child's year.

Any extra support you can provide in helping your child achieve these targets is greatly valued.

There are some ideas on how best to support your child on our website.

Mathematics

We Will Remember

Children in Year 1 have been learning about Remembrance Sunday and have created their own poppies to remember.

Catering—Well Done Lee

Lee Taylor our school chef has got through the regional finals of LACA for the second year running.

The menu for the final will be:

- Classic Chicken Biryani with Curry Gravy and Cucumber
- Lemon and Mint Raita Coconut
- Mango and Pineapple Crumble with Cinnamon Crème Fraiche
