6DM gave a fantastic rendition of Regina Spektor's 'The Call',

Day came to be, why we wear poppies and the different memorials that can be found in Coventry.

### Sequencing Stories in RHS

This week the children in Reception have been learning how to sequence the events of stories. They have used the fabulous Owl Babies story to

help them learn about what happens at the start, middle and end of the story. They have even had some lovely props to play with, which they have used retell the story to each other.

The children have also been learning how to count one more. They have had to count how many frogs there are on a log, and then count one more!
