

Art

We are focusing on Formal Elements of Art. We will learn to create abstract art, line drawings, effects with water, using colours and paint.

Science

The Animal Kingdom

We are learning all about parts of the human body and the functions of each part. We will also look at grouping animals and finding out what they eat.

RE

We are learning about Christianity, Islam and Judaism. We are looking at similarities and differences.

History

In History we are learning about toys from the past to present... What is a toy? Who plays with toys? What materials are toys made from?

PE

We are working on multi-skills this half term. This includes things like running, skipping and jumping. We will be practicing balancing and tracking objects like balls and beanbags.

Year 1

Autumn 2 - 2020

PSHE

The theme for this half term is- Celebrating Difference. Children will be learning about differences and how they make us special and unique.

English

This half term we are writing a fantasy story based on a story called "Beegu". We are also going to be reading a story called "The Tiger Who Came To Tea" and use this to help us write a really good story.

Maths

We are developing our understanding of our numbers up to 10. We are learning to represent numbers to 10 in different ways and compare numbers using $<$ $>$ $=$ signs. We are also investigating addition and subtraction.

Computing

We are learning about online safety, logging on and off Purple Mash, and how to save our creations.

Music

We are learning to create rhythms by clapping and using musical instruments. We are thinking about pulse and rhythm.
