

Art

We are focusing on the formal elements of Art this half term. We will be looking at architecture: considering details such as roof tiles and bricks, designing buildings from different perspectives and thinking about monuments.

Science

Forces

We are excited to be learning about gravity, air-resistance, water-resistance and friction this half term. We will be making parachutes and watching a circular tin roll up hill!

RE

We are learning about Christianity, Islam and Judaism. We are looking at what and why people believe.

Geography

In Geography, we are looking at changes in our local environment. We are using atlases to locate the UK within the wider world, looking at the features of the UK and our region.

PE

This term we are developing football skills.

Year 5

Autumn 2 - 2020

PSHE

The theme for this half term is celebrating differences. We will be considering different cultures, racism and bullying.

English

This half term we are writing poems based on Pie Corbett's poem – 'Six ways to look at the moon.'

We will also be writing a fantasy story – this will be based on our class book 'The lion, the witch and the wardrobe' by C. S. Lewis.

Maths

We are developing our understanding of place value in 5 digit numbers. We are also investigating different methods for adding and subtracting up to 5 digit numbers.

Computing

This half term we are looking at e-safety. We are looking at how to keep ourselves safe online both at school and at home.

Music

We will be looking at South and West Africa. We will be using tuned percussion instruments to play African inspired rhythms.
