

Closing Half term holiday and 1st June reset day

Dear parents/carers

I hope you are well.

I am writing to let you know that the school will be closed to all children over the half term period as we would normally be in a school year.

School meals for those eligible for Free School Meals is not supported by the government this holiday, so won't be provided during the half term break. However, we understand that many parents/carers will be facing new difficulties at this time. Coventry has emergency food banks and the information is on the link below:

https://www.coventry.gov.uk/info/41/community_and_living/3589/emergency_food_networks

They will be very happy to help you, as they have been helping lots of people.

We will also be closed to children on Monday 1st June, in line with Coventry Local Authority and school partnership principles.

In regards to the potential re-opening of school to some year groups, we will be writing to give you more information as soon as we can to discuss further arrangements regarding this. Please remember that every school is different and will be taking their own approach based on their own context.

Once again, can we thank you for your patience and understanding in these difficult times.

Kind regards and enjoy the half term break,

Mr Price

Acting Headteacher
