## School Chef through to the finals

On January 9th of this year our chef Lee won the regional final of LACA School Chef Of The Year and will be in the national finals on the 5th March, he will also be representing the school at an event on Friday 21st February hosted by Mr Michel Roux Jnr at the Langham hotel in London.

## Safety in the morning

Please can we remind parents not to leave children unattended outside of the classrooms in the morning. Please wait for a member of staff to receive them. This is really important for their safety. Doors open at 8:35am.

Also, if you are dropping your children off in a car can you please park further up the road away from the school gates. Children jumping out of cars on a busy morning will lead to children getting hurt. It only takes 2 minutes to park and walk the last distance to the gates.
