Ambition + Commitment = Excellence

Message from Ms Sumner:

I hope this reaches you all safe and well. Welcome back to the new half term! I hope you all had a restful break. It has been great to see the children engaging with their learning both at home and at school this week and it is lovely to have them all back either remotely or for those in school. We are very much looking forward to having all children back in school from Monday March 8th, please see additional letter about this and any arrangements you need to know about to ensure everyone's safety. Wishing you a lovely weekend, and hopefully some more of this lovely sunny weather! Stay safe and please look out for the additional letters regarding re-opening. We are very excited to see the children soon!

Devices

We are so glad we were able to help with supporting families with electronic devices during the recent closure. With children now returning to school on the 8th March we will need these to be returned to school to use with children on site. We will contact families who are currently loaning these early next week with times for returning.

World Book Day!

As you may know World Book Day is on Thursday 4th March – we have decided as a school to celebrate this event during the week of 8th March instead so that all children can take part. There are some wonderful things planned so please look out for a letter from Miss Barry and Miss Sheldon regarding this.

WE ARE SO PROUD OF YOU ALL!

Some ACE work to share with you!

Nursery and Reception have been learning about the story of the 3 Billy Goat's Gruff!
Look at their beautiful work!

Year 2 have been busy creating their own puppets based on characters from Roald Dahl books. We have had so many wonderful designs coming in and some great work created in school!
