Ambition + Commitment = Excellence

Message from Ms Sumner:

I hope this reaches you safe and well. It has been a busy week in school preparing for our full reopening, and we really cannot wait to see everyone and be back together on Monday 8th! We would also like to say a big Well done to all of our children – those working in school have been amazing during this current situation, as have those learning at school. We are proud of you all. Please familiarise yourselves with the information which has already been sent out regarding staggered openings, gates to use and other information. Your child's class teacher will also share this information on class dojo with you as a reminder.

Next week we are looking forward to celebrating books throughout the week and thinking about Inspirational women on Monday 8th for International Women's day. There will be new routines for everyone next week for children who have been at home and at school during this period and we will be making sure next week that everyone feels happy, safe, and secure.

Have a lovely weekend and we look forward to a fun and exciting week next week!

Devices

Thanks to parents for getting these returned so swiftly. We have more appointments booked for next week to return, please make sure you stick to your allotted time to support our safety measures in line with COVID19.

Visitors on site!

A polite reminder to the school community to ensure you make an appointment via telephone if you need to visit the school office. Making a telephone call will usually enable your query to be dealt with most efficiently. This is to reduce footfall in school currently.

CONGRATULATIONS!
Well done to this weeks Stars of the Week!

WE ARE SO PROUD OF YOU ALL!

Some ACE work to share with you!

Year Four have been busy thinking about keeping healthy and making sure our teeth are looked after! They presented work in posters!

Year 1 have been working really hard at home and school making constructions of Coventry Landmarks! Well done year one – so creative!
