1 Definitions

1.1 'Safeguarding' is defined in **Keeping Children Safe in Education (2020)** as;

- protecting children from maltreatment;
- preventing impairment of children's **mental** health or development;
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- taking action to enable all children to have the best outcomes.

1.2 'Child Protection' is the intervention that occurs when children have been significantly harmed or are at risk of significant harm.

1.3 'Child' refers to everyone under the age of 18.

1.4 'Parent' refers to birth parents and other adults in a parenting role for example adoptive parents, step parents and foster carers.

1.5 'Staff' or 'members of staff' refers to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in or on behalf of **John Gulson Primary School**.

2 Introduction

2.1 We recognise that safeguarding and child protection is an essential part of our duty of care to all students and all staff have a responsibility to provide a safe environment in which children can learn. We understand that safeguarding, child protection and promoting the welfare of all children is everyone's responsibility and everyone has a role to play in protecting children. We recognise that our school is part of a wider safeguarding system for children and work closely with other agencies to promote the welfare of children. We maintain an attitude of 'it could happen here' and will consider the wishes of, and at all times, what is in the best interests of each child.

2.2 The purpose of this policy is to;

- Promote safeguarding and child protection and to demonstrate **John Gulson Primary School's** commitment to keeping children safe;
- Provide all members of staff with the information required to meet their safeguarding duty and protect children from harm;
- Provide stakeholders with clear information relating to **John Gulson Primary School's** safeguarding and child protection procedures;
- Ensure that staff understand, can recognise and can respond to the indicators of abuse;
- Ensure that all staff are aware of their mandatory reporting duty in relation to Section 5B of the Female Genital Mutilation Act 2003; and
- Ensure that children are protected from maltreatment or harm.

2.3 **John Gulson Primary School** is committed to the following principles;

- All children have the right to be protected from harm.
- Children should feel safe and secure and cannot learn unless they do so.
- All staff are responsible for keeping children safe and have a responsibility to act if they think a child is at risk of harm.
- Working with other agencies is essential to promote safeguarding and protect children from harm.

- Early help and providing support to families and/or children as soon as a problem emerges is essential to improving outcomes for children and families.

2.4 Safeguarding aims

- provide a learning environment for children which is safe and secure;
- teach children how to keep themselves safe and provide structures for them to raise concerns if they are worried or at risk of harm;
- **support children's mental health and wellbeing;**
- ensure that we adhere to safer recruitment guidance and legislation, deal promptly with allegations of abuse against staff and take bullying and harassment seriously;
- train staff effectively in all safeguarding issues and in their responsibilities for identifying and protecting children that are or may be at risk of harm;
- recognise that all children may be vulnerable to abuse, but be aware that some children have increased vulnerabilities due to special educational needs or disabilities;

3.5.4 The Coventry Safeguarding Children Partnership (CSCP) have designated that schools and colleges are a named ‘relevant agency’. As such, the school is under a statutory duty to co-operate with published CSCP arrangements.

4 Types of abuse

4.1 As outlined above, all staff will be trained in indicators of abuse and should be able to recognise signs of abuse. We recognise that abuse, neglect and safeguarding issues are complex and can rarely be covered by one label. Abuse can take many forms and can involve directly inflicting harm on a child, or failing to protect a child from harm. The four main types of abuse that staff are trained to recognise are;

- Physical abuse;
- Sexual abuse;
- Emotional abuse;
- Neglect.

4.2 Types of abuse (Taken from Working Together to Safeguard Children, 2018)

Type of abuse	Information
Abuse	A form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. Children may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. Children may be abused by an adult or adults, or another child or children.
Physical abuse	A form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.
Emotional abuse	The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child’s emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or

Type of abuse	Information
	may involve a parent or carer failing to: provide adequate food, clothing and shelter (including exclusion from home or abandonment); protect a child from physical and emotional harm or danger; ensure adequate supervision (including the use of inadequate care-givers); or ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

4.3 Indicators of abuse can be found in Appendix B.

4.4 If a child is in immediate danger or at risk of harm, a referral will be made to children's social care (through the MASH) and any member of staff can make this referral. A Designated or Deputy Designated Safeguarding Lead should be available at all times, but in exceptional circumstances the member of staff should speak to a member of the Senior Leadership Team or seek advice directly from social care and then take appropriate action. The Designated Safeguarding Lead should be made aware as soon as possible.

4.5 Staff, parents and the wider community should report any concerns that they have about the welfare of children, however minor or seemingly insignificant. Staff should not assume that someone else will report concerns.

4.6 The school recognises that any child can be the victim of abuse and may benefit from early help. However, the school will be particularly vigilant to potential need for early help if a child;

- is disabled and have specific additional needs;
- has special educational needs (whether or not they have a statutory education, health and care plan);
- is a young carer;
- is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups;
- is frequently missing/goes missing from care or from home;
- is misusing drugs or alcohol themselves;
- is at risk of modern slavery, trafficking or exploitation;
- is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse;
- has returned home to their family from care;
- is showing early signs of abuse and/or neglect;
- is at risk of being radicalised or exploited;
- is a privately fostered child.²

4.7 **John Gulson Primary School** recognises that abuse can take many different forms. Staff will also receive training on the following issues and action will be taken if **John Gulson Primary School** believes that a child is at risk of or is the victim of;

- physical abuse;
- sexual abuse;

² Taken from paragraph 18, [Keeping Children Safe in Education \(September 2020\)](#)

- child sexual exploitation;
- emotional abuse;
- neglect;
- bullying, including cyber- or online-bullying;
- child criminal exploitation (including involvement in county lines);
- domestic abuse;
- fabricated or induced illness;
- faith-based abuse;
- female genital mutilation;
- forced marriage;
- gangs or youth violence;
- gender-based violence;
- hate;
- radicalisation;
- relationship abuse;
- serious violence;
- sexual violence or sexual harassment (including peer on peer abuse);
- sexting;
- So-called 'honour-based' **abuse**;
- trafficking and modern slavery.

4.8 John Gulson Primary School will also take action to protect;

- Children missing education;
- Children missing from home or care.

4.9 There are other familial issues that can have a detrimental impact on children.

We work with other agencies in line with Keeping Children Safe in Education **(2020)** to support children and families in the following circumstances;

- Children facing the court procedures and/or children in the court system;
- Children with family members in prison;
- Children who are homeless;
- **Children who need a social worker.**

4.10 Child potentially at greater risk of harm

4.10.1 The school recognises that some children need a social worker due to abuse, neglect or family circumstances and that abuse and trauma can leave children vulnerable to further harm, as well as educational disadvantage.

4.10.2 The Designated Safeguarding Lead will hold information relating to social workers working with children in the school.

4.10.3 This information will inform decisions about safeguarding and promoting welfare (including the provision of pastoral and/or academic support).

4.11 Mental Health

4.11.1 The school recognise that safeguarding and promoting the welfare of children includes preventing the impairment of children's mental health or development.

4.11.2 All staff will be aware that mental health problems may be an indicator that a child is suffering or is at risk of suffering abuse, neglect or exploitation.

4.11.3 Staff will not attempt to make a diagnosis of a mental health problem unless they are appropriately trained.

4.11.4 We recognise that staff are well-placed to observe behaviour that may indicate that a child is experiencing a mental health problem, or is at risk of developing one. There are clear systems and processes in place for identifying possible mental health problems. If staff are concerned that a child is suffering a mental health problem, they should contact the YMHFA in school: Ms V Sumner and Mrs S Webberley-Holmes

4.11.5 If staff are concerned that a child is experiencing a mental health problem that is also a safeguarding concern, they must report this to the Designated Safeguarding Lead (or deputy Designated Safeguarding Lead) immediately.

4.11.6 John Gulson Primary School has 2 Youth Mental Health First Aiders:

- **Ms V Sumner (Headteacher)**
- **Mrs S Webberley-Holmes (Acting Deputy Headteacher / Inclusion Manager);**

4.11.7 Further information, guidance and advice regarding mental health can be found in paragraph 38 of Keeping Children Safe in Education 2020.

4.12 John Gulson Primary School have a duty to refer any children who are living in a private fostering arrangement to the local authority.

4.13 All schools are subject to a duty under section 26 of the Counter-Terrorism and Security Act 2015 in the exercise of their functions to have “due regard” to the need to prevent people from being drawn into terrorism. See Appendix B for further information on **John Gulson Primary School’s** Prevent duty.

4.14 If any member of staff is unsure about signs of abuse or neglect, they should speak to the Designated Safeguarding Lead.

4.15 See Appendix B for further information and guidance on the above issues.³

5 Responding to signs of abuse

5.1 If a member of staff, parent or member of the public is concerned about a child’s welfare, they should report it to the designated safeguarding lead as soon as possible. On occasions when the designated safeguarding lead is not available, it should be reported to the deputy safeguarding lead without delay. Although any member of staff can make a referral to Children’s Social Care, where possible there should be a conversation with the Designated Safeguarding Lead.

5.2 If anyone other than the Designated Safeguarding Lead makes a referral to children’s social care or to the police, they should inform the DSL as soon as possible.

5.2 All staff will be alert to indicators of abuse and will report any of the following to the Designated Safeguarding Lead immediately;

³ Please note that definitions of physical, sexual, emotional abuse and neglect are contained in the main body of the policy. Further information about other safeguarding issues and indicators of abuse can be found in Appendix B.

- Any concern or suspicion that a child has sustained an injury outside what is reasonably attributable to normal play;
- Any concerning behaviours exhibited by children that may indicate that they have been harmed or are at risk of harm, including unusual changes in mood or behaviour, concerning use of language and/or concerning drawings or stories.
- Any significant changes in attendance or punctuality;
- Any significant changes in a child's presentation;
- Any concerns relating to people who may pose a risk of harm to a child; and/or
- Any disclosures of abuse that children have made.

5.3 There will be occasions where a child discloses abuse directly to a member of staff. If this happens, the member of staff will;

- listen carefully to the child and believe what they are saying;
- not promise confidentiality, as information may need to be passed on so the child and family can receive additional support;
- only ask for clarification if something is unclear and will not ask 'leading' questions;
- report disclosure to the designated safeguarding lead as soon as possible, certainly by the end of the day;
- only discuss the issue with colleagues that need to know about it; and
- will write up the disclosure and pass it to the designated safeguarding lead. It is likely they will have a discussion with the DSL prior to this.

5.4 The designated safeguarding lead will make a decision about the action that needs to be taken following a member of staff raising a concern about a child, or following a direct disclosure. The DSL may;

- Manage support for the child internally;
- Seek advice from the social worker advice line in the MASH;
- Instigate single agency intervention and work directly with the family to improve the situation;
- Offer an Early Help Assessment to provide multi-agency help to a family;
- In cases where children are deemed to be at significant risk of harm, the DSL will refer cases to the MASH for statutory intervention. Parental consent will be obtained wherever possible before referring cases to the MASH. However, if **John Gulson Primary School** is worried that telling parents will mean the child is at greater risk of harm, we may do this without informing them.
- If parents do not consent to a referral but the school believes that a child is at significant risk of harm, a referral will still be made to children's social care.

5.5 For further information about the Coventry Safeguarding Children Partnership's 'Right Help, Right Time' guidance, which is used by **John Gulson Primary School** to make decisions about protecting children, please visit <http://www.coventry.gov.uk/righthelprighttime>.

5.6 See **page 19** for flowchart of actions that will be taken where there are concerns about a child (taken from Keeping Children Safe in Education, **September 2020**).

5.7 In cases where members of staff become aware that Female Genital Mutilation (FGM) has been carried out on a female below the age of 18, they have a mandatory duty to report this to the police without delay and will do so. Staff should refer this to the DSL, but the legislation requires regulated health and social care professionals and teachers in England and Wales to make a report to the police where, in the course of their professional duties, they either;

- are informed by a girl under 18 that an act of FGM has been carried out on her; or
- observe physical signs which appear to show that an act of FGM has been carried out on a girl under 18 and they have no reason to believe that the act was necessary for the girl's physical or mental health or for purposes connected with labour or birth.⁴

5.8 **John Gulson Primary School** understands that both adults and other children can perpetrate abuse, and peer on peer abuse is taken very seriously. Peer on peer abuse can include bullying, cyber-bullying, physical abuse, sexting, sexual violence and/or harassment, upskirting, and initiation/hazing ceremonies. The school recognise that safeguarding issues can manifest as peer on peer abuse.

5.8.1 All members of staff will be made aware of the school's policy and procedures with regards to peer on peer abuse. **All members of staff will be made aware of the school's policy and procedures with regards to peer on peer abuse. John Gulson Primary School will ensure staff understand what is meant by peer on peer abuse and the school policy on peer on peer abuse by including this in all staff Safeguarding training and induction of new staff.**

5.8.2 John Gulson Primary School will work to prevent peer on peer abuse by supporting children in their understanding through the PSHE Curriculum. Staff to log any concerns about peer on peer abuse on CPOMS.

5.8.3 In the event that an allegation of peer on peer abuse is made, John Gulson Primary School will investigate this **by speaking to and supporting children involved. Where appropriate John Gulson Primary School will contact parents. John Gulson Primary School will also liase with other agencies if needed (e.g. Social Care, Police and Early Help Hubs). Investigation will be led by the DSL or deputy DSL and findings will be shared appropriately.**

5.8.4 In the event that an allegation of peer on peer abuse is made, victims and alleged perpetrators will be supported by John Gulson Primary School's pastoral team and where appropriate support will be sought from outside partner agencies.

5.8.5 **John Gulson Primary School** will never pass off peer on peer abuse as 'banter' or 'part of growing up'.

5.8.6 John Gulson Primary School recognises the gendered nature of peer on peer abuse (i.e. that it is more likely that girls will be victims and boys perpetrators), but that all peer on peer abuse is unacceptable and will be taken seriously. The different forms peer on peer abuse can take, such as:

o bullying (including cyberbullying);

o physical abuse which can include hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm;

o sexual violence and sexual harassment. Part five of this guidance sets out how schools and colleges should respond to reports of sexual violence and sexual harassment;

o upskirting, which typically involves taking a picture under a person's clothing without them knowing, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm;

o sexting (also known as youth produced sexual imagery): the policy should include the school's or college's approach to it. The department provides Searching Screening and

⁴ *introduced in Section 5B of the FGM Act 2003, as inserted by section 74 of the Serious Crime Act 2015

Confiscation Advice for schools. The UK Council for Internet Safety (UKCIS) Education Group has published Advice for Schools and Colleges on Responding to Sexting Incidents; and

o initiation/hazing type violence and rituals.

5.8.7 John Gulson Primary School will adhere to guidance set out in Keeping Children Safe in Education (**2020**) and Sexual Violence and Sexual Harassment in Schools (May 2018) when responding to incidents of peer on peer abuse.

5.8.8 All staff will be made aware that 'upskirting' is a criminal offence.

5.9 Youth Produced Sexual Imagery ('sexting')

5.9.1 'Sexting' refers to any sharing of youth-produced sexual imagery between children. This includes;

- A person under the age of 18 creating and sharing sexual imagery of themselves with a peer under the age of 18;
- A person under the age of 18 sharing sexual imagery created by another person under the age of 18 with a peer under the age of 18 or an adult;

5.9.2 **John Gulson Primary School** has a responsibility to educate children in the risks relating to 'sexting' and how to keep themselves safe online. ***John Gulson follows the JIGSAW PSHE Curriculum.***

5.9.3 Any incidents or suspected incidents of 'sexting' should be reported to the DSL without delay.

5.9.4 Once reported to the DSL, the DSL will decide on the appropriate course of action. This could include;

- Confiscation of mobile phones in line with guidance 'Searching, Screening and Confiscation, (January 2018);
- Referrals to the police and/or MASH;
- Sanctions in accordance with behaviour policy;
- Support for young people involved to prevent reoccurrence;

5.9.5 Any incidents of 'sexting' involving the following will result in a MASH and/or Police referral;

- Adult involvement;
- Coercion or blackmail;
- Children under the age of 13;
- Extreme, or violent content;
- Immediate risk of harm.

5.9.6 Staff will not view images or videos on pupil devices. Confiscated devices will be stored securely and passed to the relevant agencies.

5.9.7 We will work with parents as necessary if their child is involved in 'sexting'.

5.9.8 We operate a culture of safeguarding and young people should feel confident to disclose if they have sent an inappropriate image of themselves. Children will always be supported to retrieve and delete the images.

5.9 Serious Violence

5.9.1 All staff will be made aware of indicators, which may signal that children are at risk of, or are involved with serious violent crime.

5.9.2 All staff will be made aware of the risks associated with serious violence, criminal networks and gangs and understand the measures in place to prevent these.

5.9.3 All staff will have an awareness of Child Criminal Exploitation and behaviours linked to Child Criminal Exploitation. Further information about Child Criminal Exploitation can be found in paragraph 28 of Keeping Children Safe in Education (2020).

5.10 Searching, Screening and Confiscation

5.10.1 Where necessary, searching, screening and confiscation will be used to safeguard a child/children in **John Gulson Primary School**.

5.10.2 John Gulson Primary School adheres to 'Searching, Screening and Confiscation: Advice for Schools (January 2018).

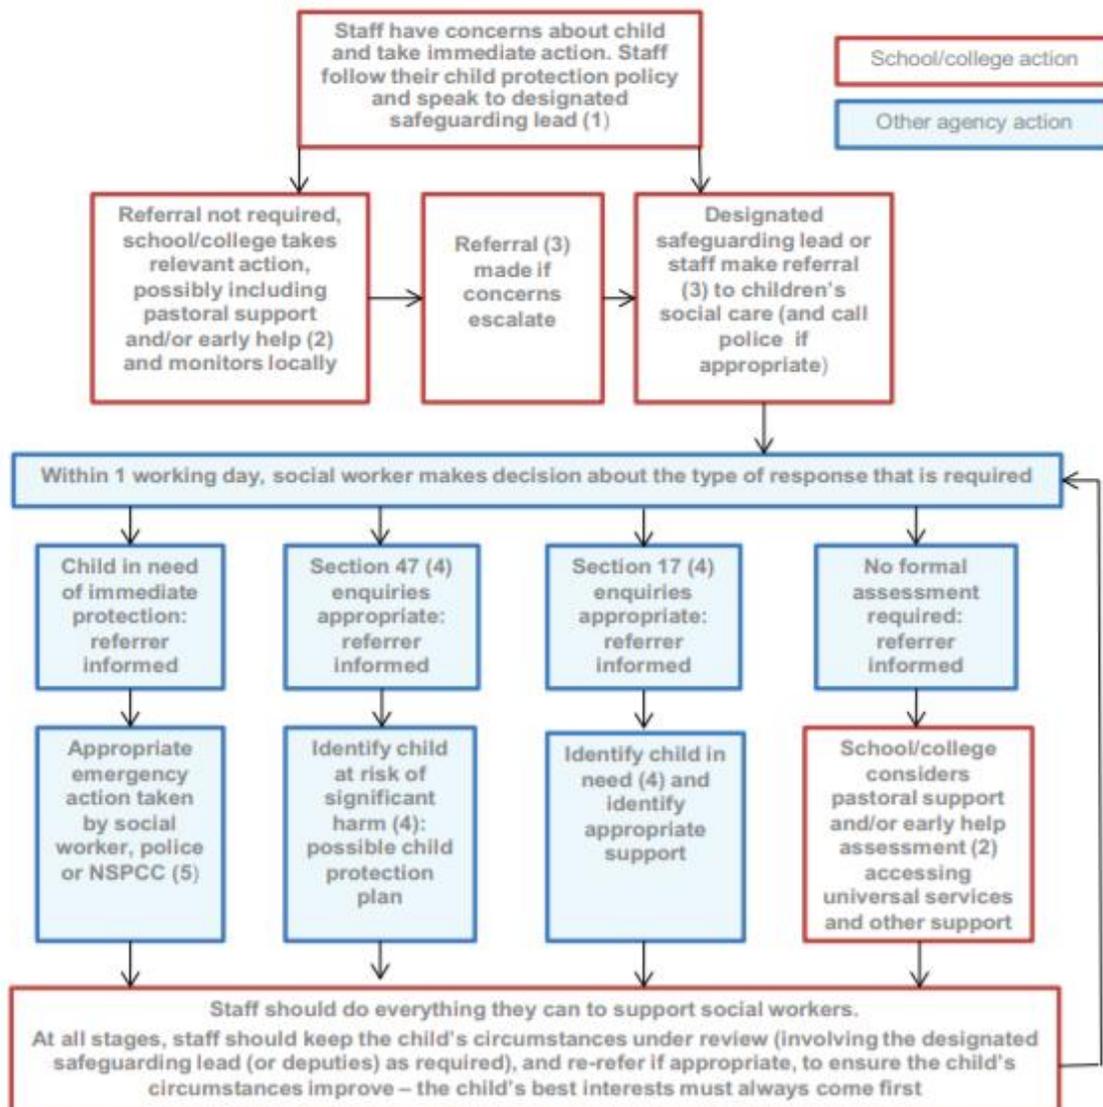

5.10.3 Please see Behaviour Policy for further details regarding confiscation and search guidance.

5.11 Extra-Familial Harm

5.11.1 John Gulson Primary School recognises that safeguarding incidents can be associated with factors outside the school and may take place outside of school. We also recognise that safeguarding incidents or behaviours can occur between children outside of school. We will always consider contextual safeguarding factors when responding to safeguarding incidents.

5.11.2 All staff will be made aware that safeguarding incidents and/or behaviours can be associated with factors outside the John Gulson Primary School and/or can occur between children outside these environments.

Actions where there are concerns about a child

(1) In cases which also involve a concern or an allegation of abuse against a staff member, see Part four of this guidance.

(2) Early help means providing support as soon as a problem emerges at any point in a child's life. Where a child would benefit from co-ordinated early help, an early help inter-agency assessment should be arranged. Chapter one of [Working Together to Safeguard Children](#) provides detailed guidance on the early help process.

(3) Referrals should follow the process set out in the local threshold document and local protocol for assessment. Chapter one of [Working Together to Safeguard Children](#).

(4) Under the Children Act 1989, local authorities are required to provide services for children in need for the purposes of safeguarding and promoting their welfare. Children in need may be assessed under section 17 of the Children Act 1989. Under section 47 of the Children Act 1989, where a local authority has reasonable cause to suspect that a child is suffering or likely to suffer significant harm, it has a duty to make enquiries to decide whether to take action to safeguard or promote the child's welfare. Full details are in Chapter one of [Working Together to Safeguard Children](#).

(5) This could include applying for an Emergency Protection Order (EPO).

5.11 To raise concerns about children, members of staff should contact the Multi-Agency Safeguarding Hub (MASH) by telephone to discuss the referral. They should then complete the online Multi-Agency Referral Form (MARF) and submit this to the MASH. The school will follow up referrals if we do not receive feedback from social care.

MASH Telephone number: 02476 788 555

MASH online referral form: <http://www.coventry.gov.uk/safeguardingchildren>

Out of hours Emergency Duty Team: 02476 832 222

Prevent/Channel Referrals: Refer to MASH (mash@coventry.gov.uk) and to CTU_GATEWAY@west-midlands.pnn.police.uk

5.12 If a child's situation does not appear to be improving following a referral, the school may re-refer the child. We will also consider using the **Coventry Safeguarding Children Partnership's Managing Professional Disagreements policy LINK UPDATED**.to ensure that our concerns have been addressed and that the situation improves for the child.

6 Record-keeping

6.1 A written record of all safeguarding and/or child protection concerns, discussions and decisions made will be kept in individual children's files. This will be separate from the main school file and will only be accessed by the relevant safeguarding staff.

6.2 **John Gulson Primary School** keeps all safeguarding files electronically, **using a system called CPOMs.**

6.3 Staff will submit all concerns in writing to the DSL at the earliest opportunity. This may be after having a verbal conversation, but conversations will also be followed up in writing.

6.4 In the event that a child moves school, the safeguarding file will be transferred to the new setting securely and separately from the main school file. Once received by the new school, this school will not retain the information.

6.5 The school will seek at least two emergency contacts for every child.

6.6 All data processed by **John Gulson Primary School** is done so in line with the General Data Protection Guidelines **and the Data Protection Act (2018)**. Please see the following policies for additional information;

7.3 Photographs of children used publicly will not be displayed with their name or other personal information.

7.4 Photographs of children will be processed in line with the General Data Protection Regulation.

8 Early Help

8.1 **John Gulson Primary School** is committed to supporting families as soon as a possible problem arises. It is more effective to support a family through early help than reacting to a problem later. Everyone who comes into contact with children and their families and carers have a role to play in safeguarding children. **John Gulson Primary School** works closely with its neighbouring family hub to work with families in the community to improve outcomes for children.

11 Allegations of abuse against staff

11.1 **John Gulson Primary School** takes all **safeguarding concerns and/or allegations** against staff seriously and will manage them in line with this policy, Part Four of Keeping Children Safe in Education (**September 2020**) and the CSCP Guidance, '**Allegations Against Staff and Volunteers**'.

- **Staff having behaved in a way that has harmed a child, or may have harmed a child;**
- **Staff possibly committing a criminal offence against or related to a child;**
- **Staff behaving towards a child or children in a way that indicates they may not be suitable to work with children;**

11.2 If a concern or allegation of abuse arises against the Headteacher, it must be reported to the **Chair of Governors** without delay.

11.3 If a concern or allegation of abuse arises against any member of staff, supply teacher or volunteer other than the Headteacher, it must be reported to the Headteacher without delay. **This includes supply staff, volunteers and all staff outlined in paragraph 1.5 of this policy.**

11.4 **Concerns or** allegations of abuse against staff must be reported to the Headteacher or Chair of Governors as appropriate and not discussed directly with the person involved.

11.5 The Headteacher or Chair of Governors should consider if the **concern or** allegation meets the threshold for Designated Officer intervention. The details of the LAdo can be found at the front of this policy.

11.6 Concerns relating to a position of trust issue will be referred to the Local Authority designated officer within 24 hours.

11.7 If a child has suffered **or may have suffered** abuse or harm, a MASH referral will also be made.

11.8 In the instances where an allegation is dealt with internally, the Local Authority designated officer will provide information and support to **John Gulson Primary School** in managing the allegation.

11.9 A referral to the Disclosure and Barring Service will be made if a member of staff is dismissed or removed from their post as a result of safeguarding concerns, or would have been removed if they had not have resigned.

11.10 Supply Teachers

11.10.1 Although the school does not directly employ supply teachers, the school will ensure that any concerns or allegations against supply teachers are handled properly.

11.10.2 The school will never cease to use a supply teacher for safeguarding reasons without liaising with the Local Authority Designated Officer and reaching a suitable outcome.

11.10.3 Governing bodies/proprietors will liaise with the supply agency to determine whether to suspend or redeploy the supply teacher whilst they carry out their investigation.

11.10.4 The school will inform supply agencies of its process for managing allegations, including inviting the agency's human resource manager (or equivalent) to meetings and regularly updating agencies on relevant school policies.

11.9 Whistleblowing

11.9.1 **John Gulson Primary School** operates a culture of safeguarding and all staff should report any concerns about poor or unsafe practice, or **John Gulson Primary School's** safeguarding processes to the senior leadership team.

11.9.2 The senior leadership team will take all concerns seriously.

11.9.3 In the event that a member of staff is unable to raise an issue with senior leadership in school, they should refer to Part 1 of Keeping Children Safe in Education for additional guidance on whistleblowing procedures.

12 Promoting safeguarding and welfare in the curriculum

- As part of the Computing Curriculum children will complete work on online safety
- JIGSAW PSHE curriculum
- Assemblies about keeping safe.
- Pupils Voice to share concerns
- Pastoral Team

13 Children Looked After

13.1 The most common reason for children to be looked-after is because they have experienced abuse and/or neglect. **John Gulson Primary School** recognises that children looked after may have additional vulnerabilities. **The Designated Lead for Looked-After and Previously Looked-After Children is Mrs Suzanne Webberley-Holmes**

13.2 Staff will receive training on how to best safeguard children who are Looked-After and Previously Looked-After.

13.3 The school will work with Personal Advisors when children leave care (where applicable).

13.4 **John Gulson Primary School** is committed to working with other agencies to ensure the best outcomes for Looked-After and Previously Looked-After children.

14 Children with Special Educational Needs

14.1 As outlined in **Keeping Children Safe in Education (2020)**, **John Gulson Primary School** is aware that children with additional needs or disabilities may be more vulnerable to abuse and additional barriers may exist when recognising abuse and neglect. This could be because;

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration;
- being more prone to peer group isolation than other children;
- the potential for children with SEN and disabilities being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs; and
- communication barriers and difficulties in overcoming these barriers.⁶

4.2 Staff will be trained in recognising signs of abuse in children with SEN and disabilities.

⁶ Keeping Children Safe in Education, September 2020

4.3 Staff will take into account the needs of a child when responding to concerns of abuse or when taking a disclosure. We recognise that some children require specialist intervention to communicate and advice from the SENCO will be sought in these circumstances.

4.4 Safeguarding learning opportunities within the curriculum will be appropriately differentiated to ensure all children can access it.

15 Use of reasonable force

15.1 There may be occasions when staff are required to use reasonable force to safeguard children. We will not use any more force than is necessary.

Staff need to complete Team Teach training and follow guidance outlined in the Team Teach booklets. All incidents involving the use of reasonable force need to be recorded in the numbered Team Teach books.

16 Summary

16.1 The school is committed to safeguarding children and will always make safeguarding decisions that are in the best interests of each child. For further information or if you have any queries about this policy, please contact the school.

Appendix B – Further Safeguarding Information

Types of Abuse

As outlined in **paragraph 4.4**, the school will take action if we believe a child is at risk of or is suffering from abuse. Abuse is not limited to physical, emotional, sexual abuse and neglect. For further information on the definitions of the types of abuse below, please refer to **Keeping Children Safe in Education (2020)**, Annex A.

See below for policy information relating to other key safeguarding issues. All decisions taken in responding to concerns of abuse will be taken in the best interests of the child.

Bullying, including cyber- or online-bullying

The school takes all forms of bullying seriously and will respond sensitively and quickly to any reported bullying. Children should report any bullying to their form tutor, to the DSL or to any trusted member of staff and we will work to resolve it.

We also teach children about the dangers of bullying through our curriculum. See link to curriculum here:

Bullying can take many forms and we have several policies that cover different aspects of bullying. Please see the Anti-Bullying Policy, the Behaviour Policy and paragraph 5.8 of this policy for further information.

Child criminal exploitation (including involvement in county lines)

We recognise that young people are vulnerable and that there is always the possibility that they can be enticed/ attracted into becoming a conduit for criminal activity of various kinds with or without their knowledge.

Staff will be alerted to changes in behaviour or attendance patterns and report any concerns to the DSL.

We work with parents/carers, police, where appropriate, and young people themselves to heighten their awareness of potential risks and dangers to their well-being through allowing themselves to become involved in crime and to support them positively.

Domestic abuse – *Include Operation Encompass*

The negative effects of Domestic Abuse upon families, children and young people are well documented.

John Gulson Primary School works with West Midlands Police as part of Operation Encompass. www.opertaionencompass.org

The DSL will be informed of any incidents of Domestic Abuse reported to the police involving families of John Gulson children.

We will support students and families as appropriate. This might include individual mentoring or counselling for children. On occasion, families will also be offered an 'Early Help' protocol as a form of support.

<https://www.gov.uk/guidance/domestic-violence-and-abuse>

Fabricated or induced illness

We recognise that fabricated or induced illness can be a symptom of underlying issues for a child.

If we suspect that a child in our care is fabricating illness, they will be positively encouraged to speak with one of our YMHFA. The issue will be discussed with parents and every attempt made to identify its cause, which will then be addressed, as necessary.

Should a child self-harm, they will be encouraged to speak with a preferred trusted member of staff. Parents will be informed and appropriate support put in place. This could include: internal mentoring or counselling; referral to GP; referral to NHS local School Nurse; referral to CAMHS.

<https://www.gov.uk/government/publications/safeguarding-children-in-whom-illness-is-fabricated-or-induced>

Faith-based abuse

At John Gulson Primary School, our vision, values and aims reflect the British Values of:

- Democracy.
- The rule of law.
- Individual liberty.
- Mutual respect.
- Tolerance of those of different faiths and beliefs.

These values are promoted via our academic curriculum and are at the heart of our academy ethos.

Contravention of these values, will result in the child receiving individual or small group mentoring in cultural understanding, School Values, British Values and sanctioning, as appropriate.

If a child or young person is believed to be at risk of harm as a consequence of his/her or family's faith or belief, then the academy will liaise with family and any outside agencies, as appropriate.

<https://www.gov.uk/government/publications/national-action-plan-to-tackle-child-abuse-linked-to-faith-or-belief>

Female genital mutilation (A form of so-called 'honour-based' abuse)

John Gulson Primary recognises the legal responsibility of staff to report any incidents of FGM to the police in addition to the DSL, as it is illegal to practise the procedure in the UK and also to take a female to another country, in order to conduct FGM.

Children will be encouraged to discuss any concerns they have, privately, with a DSL or trusted adult.

Staff will be alert to visible behaviours or attendance pattern which suggest concerns re FGM and will discuss with families, as appropriate.

<https://www.gov.uk/government/publications/multi-agency-statutory-guidance-on-female-genital-mutilation>

Forced marriage (A form of so-called 'honour-based abuse)

Whilst it is acknowledged that arranged marriage is quite common and accepted within certain cultures, forced marriage is illegal and John Gulson Primary School will promote the difference through the pastoral curriculum – PSHE/JIGSAW.

Children are encouraged to discuss any concerns they might have with a trusted member of staff.

Should the school believe that a child is at risk of being forced into an unwanted marriage, police and social Care will be informed.

<https://www.gov.uk/guidance/forced-marriage>

Gangs or youth violence

John Gulson Primary recognises that conflict can affect any school. We aim to:

- understand the problems that young people are facing in school and in their local community;
- consider possible avenues of support;
- work with local partners and external agencies

Through our PSHE/JIGSAW programme we aim to teach conflict resolution, awareness of risky situations, the consequences of violence and coercive and abusive relationships.

<https://www.gov.uk/government/publications/advice-to-schools-and-colleges-on-gangs-and-youth-violence>

Gender-based violence

Violence of any kind will not be accepted at John Gulson Primary. All violence, including Gender Based violence against women and girls and homophobic violence, will be dealt with in accordance with the school's Behaviour Policy and incidents reported to external agencies as appropriate.

<https://www.gov.uk/government/policies/violence-against-women-and-girls>

Hate

John Gulson Primary will promote British Values through the academic and pastoral curricula.

Any concerns will be reported to the DSL and appropriate protocol followed in accordance with Preventing Radicalisation, Anti- Bullying and Behaviour policies.

Homelessness

John Gulson Primary recognises the pressures and issues created for children and young people if they are in a position of being homeless.

Every effort will be made to support the child and young person. This could take the form of: provision of study facility for homework; extra catch-up support, if necessary; mentoring; offer of Early Help to family; liaison with relevant external agencies.

(So-called) 'Honour-based' abuse (For FGM and Forced Marriage, types of so-called 'honour-based' abuse, see above)

So-called 'Honour-based' violence is a crime. Children will be encouraged to report any concerns they have regarding potential or actual 'honour based' violence to a trusted member of staff.

Any concerns which the school might have will be referred to the DSL, who will take appropriate action in informing police and Social Care.

<https://www.gov.uk/government/policies/violence-against-women-and-girls>

Radicalisation and Extremism

Protecting children from the risk of radicalisation is part of the school's wider safeguarding duties, and is similar in nature to protecting children from other forms of harm and abuse. During the process of radicalisation it is possible to intervene to prevent vulnerable people being radicalised.

We acknowledge that there is no single way of identifying an individual who is likely to be susceptible to an extremist ideology. It can happen in many different ways and settings. Specific background factors may contribute to vulnerability which are often combined with specific influences such as family, friends or online, and with specific needs, for which an extremist or terrorist group may appear to provide an answer. The internet and the use of social media in particular have become major factors in the radicalisation of young people.

Staff are trained in Prevent awareness as part of Safeguarding Training.

Staff should be alert to changes in children's behaviour which could indicate that they may be in need of help or protection and refer to the DSL if they have any concerns.

The DSL will assess whether to refer the child for support. Should a student be considered to be at immediate risk of harm or of harming others, the Police and Social Care should be informed without delay.

The school internet is filtered to prevent students accessing sites which might put them at risk of being radicalised.

The PSHE Programme includes strategies used to attract young people and dangers of radicalisation and encourage them to challenge it.

<https://www.gov.uk/government/publications/prevent-duty-guidance>

Relationship abuse

John Gulson Primary School expects all students and staff to be the best that they can be and to show Integrity. Any abuse of a relationship will be managed in accordance with the relevant policy.

<https://www.gov.uk/government/policies/violence-against-women-and-girls>

Allegations Against Staff or Persons in a Position of Trust Policy (LSCB)

Sexual violence or sexual harassment (including peer-on-peer abuse)

Peer on Peer abuse will not be treated as immature ‘banter’, but will be dealt with in accordance with the school Behaviour and Anti-Bullying policies. Sexual violence or sexual harassment will be reported to Social Care and, if necessary, the Police.

Sexting

Children will be taught the dangers and legal implications of sexting. They will be supported in protecting themselves via individual and small group mentoring if appropriate. Devices containing inappropriate images will be confiscated and the parents/carers of perpetrators will be informed. Sanctions will be in accordance with the Behaviour Policy.

If it is believed that a young person is in an abusive situation or that there is communication of images involving an adult, then external agencies will be informed.

<https://www.disrespectnobody.co.uk/sexting/what-is-sexting/>

Trafficking and modern slavery

Staff will be alert to attendance patterns and behaviours of children. Should there be any indications that a student might be involved in trafficking, the school will notify Social Care and the Police.

If it is believed that any child or member of his or her family is in a situation which could be considered to be modern slavery, then the academy will inform the Police.

Children missing from education, home or care

The school will also take action to protect;

- Children missing education
- Children missing from home or care

Children Missing Education

John Gulson Primary recognises that there are several reasons why a child might miss education and these include:

- failing to be registered at a school at the age of five;
- failing to make a successful transition;
- exclusion;
- mid-year transfer of education provision;
- families moving into a new area.

The school also accepts that there are some children who might be particularly vulnerable to missing education.

John Gulson Primary will promote the importance of attendance to parents and children.

Should attendance become a concern, the school will act in accordance with the Attendance Policy and requirements stipulated in Government statutory guidance:

<https://www.gov.uk/government/publications/children-missing-education>

Children Missing from home or care

John Gulson Primary acknowledges that when a child goes missing or runs away they are at risk and also that Looked After Children are particularly vulnerable. The school will attempt to support children prior to their feeling the need to run away, and inform family, unless it is felt that they are in immediate danger from family. In which case, a referral to MASH will be made.

Should a child run away, then the school will work with family/carer and outside agencies towards ensuring the safety and well-being of the child or young person. Upon return, they will be monitored and supported as necessary.

<https://www.gov.uk/government/publications/children-who-run-away-or-go-missing-from-home-or-care>

Private Fostering

The school have a duty to refer any children who are living in a private fostering arrangement to the local authority.

We will do this through a MASH referral. It is important that parents/carers inform us if a child is going to be staying at an alternative address to that of their primary care-givers for more than ***(insert your policy – legislation says 28 days but you may already have a policy that is less)***

Indicators of abuse

See below for possible indicators of abuse. (Taken from *What to do if you are worried a child is being abused*, 2015)

- Children whose behaviour changes – they may become aggressive, challenging, disruptive, withdrawn or clingy, or they might have difficulty sleeping or start wetting the bed;
